

**SUPERBON Madrid Style Potato Chips**

SUPERBON is a brand of chips new to the US - with simplicity, sustainability, and superior taste as its guiding principles, the company, and its product live up to the first half of their name. Their eye-catching graphics will grab attention in any retail environment. They are made in Spain and sold in over 4000 stores in Europe. We are proud to be their first US importer for distribution, and we will first introduce the large bags, followed by the single-serving bags at a later date.
